

**START YOUR CAREER.
CHANGE YOUR LIFE.**

HANDS-ON TRAINING GIVES YOU THE ADVANTAGE

ThinkBIG is a two-year, hands-on Caterpillar® Dealer Service Technician program that has paid internships.

You'll earn an Associate Degree in Applied Technology upon successful completion of the program.

REAL WORLD EXPERIENCE: THE PAID INTERNSHIP

Your paid internship at your sponsoring dealer will allow you to apply what you learn in a "real world" setting. You'll also receive four units of college credit after completing each internship.
